

GENERAL INFORMATION

PROGRAM DESCRIPTION

This activity is intended for physicians, physician assistants, nurse practitioners, nurses, pharmacists, advanced life support personnel and other health care professionals who may deal with the pediatric emergency patient.

MEETING SITE

The Genesee Grande Hotel
1060 E. Genesee Street
Syracuse, New York 13210
315-476-4212

PROGRAM OBJECTIVES

This conference will review current issues in Pediatric Emergency Medicine with didactic lecture presentations on demonstrating competency in diagnosing malignancies in the pediatric emergency patient, understanding the appropriate approach to diagnosis and management of the child with gastrointestinal complaint and, maintain competency in treating childhood cardiac complaints. Participants will be able to identify current issues affecting emergency care and integrate those issues into their practice. The participant will also be able to recognize and assess risks of the pediatric patient and care for them in an acute setting.
